# WHY FATHERLESSNESS?

The affects of fatherlessness are worse than ever.  
If we don't do something who will?

“

— U.S. Department of Health and Human Services, 1993

“

Pure religion and undefiled before God and the Father is this, To visit the fatherless and widows in their affliction...

— James 1:27

## The #1 Social Issue in the United States is Fatherlessness.

Look at the statistics and quotes below to help you understand why this is such a big deal!

“

“Children whose parents separate are significantly more likely to engage in early sexual activity, abuse drugs, and experience conduct and mood disorders. This effect is especially strong for children whose parents separated when they were five or younger.”

— Journal of the American Academy of Child and Adolescent Psychiatry 33 (1994)

"A white teenage girl from an advantaged background is five times more likely to become a teen mother if she grows up in a single-mother household than if she grows up in a household with both biological parents." – *Facing the Challenges of Fragmented Families, The Philanthropy Roundtable.*

**WORRY,  
HOPELESSNES,  
FEAR, STRESS,  
AND ANXIETY.**

These are the feelings that many individuals have when they think of some or all of the issues above.

**BUT YOU DON'T NEED TO HAVE THESE FEELINGS!**

**GOD HAS IT ALL UNDER CONTROL!**

**BUT AS A CHRISTIAN ARE YOU WILLING TO DO YOUR PART TO DO SOMETHING ABOUT IT?**

# REACH FATHERLESS FAMILIES = HELP HEAL AMERICA

---

Have you wondered why there has been such a moral decline in our country over the last several years? As you have seen many of the issues that are concerning to you come from fatherless families. Most of these children and teens have a lot stacked against them from birth. Fatherlessness in the United States often leads to crime, suicide, drugs, alcoholism, poor education & dropouts, sexual immorality & abortion, crowded prisons, mental illness, etc... Fatherlessness is literally affecting everyone.

---

**FOR OVER A DECADE WE HAVE BEEN EVANGELIZING AND  
DISCIPLING FATHERLESS FAMILIES**

**THESE FAMILIES NEED THEIR HEAVENLY FATHER THROUGH A PERSONAL  
RELATIONSHIP WITH JESUS!**

**GOD IS THE ONLY REAL ANSWER TO OUR NATION'S NUMBER ONE  
SOCIAL ISSUE**

**WE WILL NOT STOP UNTIL THESE FAMILIES ARE REACHED!**

**BUT WE NEED MORE LOCAL CHURCHES AND CHRISTIANS TO HELP  
US DO THIS!**

**HERE'S WHAT WE ARE DOING TO REACH FATHERLESS FAMILIES**

## **With Your Help**

For the past 10 years we've been able to evangelize and disciple single moms and fatherless children, teens, and adults all over America!

# HERE IS WHAT WE ARE DOING TO REACH FATHERLESS FAMILIES

---

## PARTNERING WITH CHURCHES

**We believe the local church is the best institution to reach the fatherless locally. We are working to partner with at least one church in every county of the United States. Through partnership we provide speaking, consulting, insights and training, and physical products to help you do ministry!**

## SPEAKING

**We have had the privilege of speaking all over the country at 200+ churches, colleges, conferences, schools, and other venues. We speak messages of hope to the fatherless and messages on reaching the fatherless to those who can help.**

## CREATING UNIQUE RESOURCES

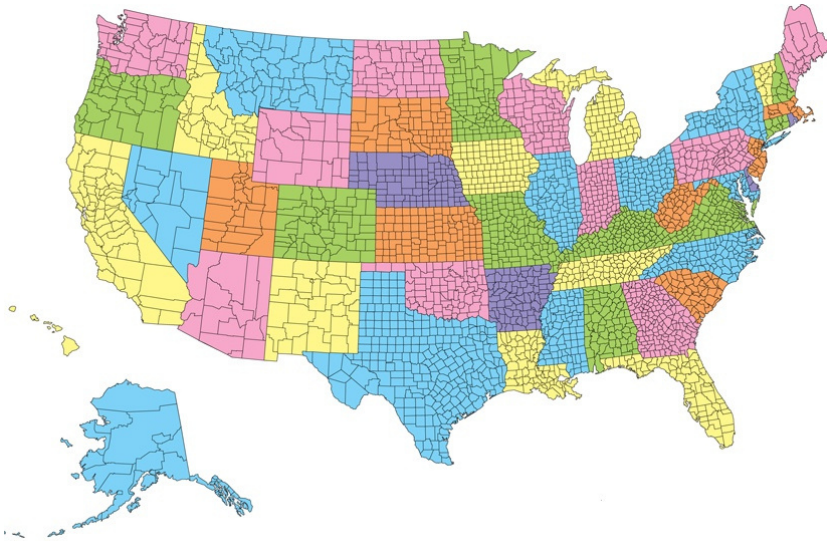

**God has led us to create some awesome unique resources for fatherless families such as devotional books, children's books, and our mobile app and website [GodismyDad.com](http://GodismyDad.com). I would have loved to have had this when I was growing up fatherless!**

## SPREADING AWARENESS

**We are a voice for fatherless families by spreading awareness through a wide variety of outlets on the social affects that it causes in the United States.**

# WANT US TO COME TO YOUR CHURCH?

---

We are in search of at least one church to partner with us in every county of the United States. Your church can make a difference!

## **WE WILL EDUCATE & ENCOURAGE YOUR CONGREGATION**

When we visit your church we will educate your congregation on fatherlessness and equip them with the know-how and tools to begin to do something about it in your church and circles of influence. We have inspired individuals across America to get involved in reaching the fatherless in some capacity.

Also during our visit, we will minister to the fatherless individuals and families in your church including the single moms, fatherless children and teens, and grandparents raising their grandchildren. This will encourage them and let them know even more that your church cares about them and about what they are going through.

## **WE WILL SPEAK FOR SPECIAL EVENTS**

In addition to speaking at churches, God has allowed me to preach, speak, and present our ministry in a wide variety of different settings such as colleges, public schools, Christian schools, senior citizen events, pastors conferences, youth conferences, missions conferences, and a family conference.

**TO SCHEDULE US TO COME TO YOUR CHURCH FOR A SERVICE OR FOR A SPECIAL EVENT PLEASE EMAIL ME AT [SEANTEIS@LIFEFACTORS.ORG](mailto:SEANTEIS@LIFEFACTORS.ORG) OR CALL MY CELL PHONE AT 941-223-9032. I LOOK FORWARD TO SPEAKING WITH YOU!**

# CHURCH PARTNERS

---

## Church Partners help fatherless families

Through your churches monthly financial partnership it allows us to spread more awareness about the issues of fatherlessness, speak more messages of hope to the fatherless, and create and distribute more unique resources of hope to fatherless families!

## Partnership will Benefit Your Church!

Fatherless Ministry is not a Program! But is pure religion! Through partnering with us we will help you evangelize and disciple the fatherless near you!

### **THIS IS NOT A PROGRAM...THESE ARE TOOLS TO HELP YOU MINISTER TO THE FATHERLESS**

After being a Pastor myself, the last thing I want for someone to bring to me is another program. In the ministry, we simply do not have the time for another program! Fatherless Ministry is not a cookie-cutter program. When you partner with us, we provide your church with training and resources in a way that allows you to pick and choose from the topics, content, and free downloads to meet your specific ministry needs at the current time. Then as other issues surface, you can reference those topics and download those resources as needed. For example, if you have a lot of grandparents raising their grandchildren but not many single moms you can start in that section of our training site and get ideas and resources to help you better minister to those grandparents and to their grandchildren. We are available for ministry consultation and to speak at your church on these issues! Also once you become a partner you will join our network of churches that are passionate about reaching the fatherless in their local church and community!

**TO FIND OUT MORE ABOUT PARTNERSHIP WITH US PLEASE EMAIL ME AT [SEANTEIS@LIFEFACTORS.ORG](mailto:SEANTEIS@LIFEFACTORS.ORG) OR CALL MY CELL PHONE AT 814-330-5305.**

# START A SINGLE MOM MINISTRY/COMMUNITY GROUP

## Launch a Single Mom Community Group In Your County!

We are looking for at least one church and ministry in every County of the United States to launch a Single Mom Ministry! We will help you get started AND provide ongoing support for your ministry!

[Start A Single Mom Community Group!](#)

## FINALLY, A TANGIBLE WAY FOR CHURCHES TO LEAD FATHERLESS FAMILIES TO THE HEAVENLY FATHER!

Imagine if the single moms in your church and community could be effectively evangelized and discipled. Imagine the difference this would make for their children's chance at overcoming the statistics of fatherlessness. By launching a Single Mom Community Group, your church will have the tools needed to simply help these families in your church and community in an effective way!

## WHAT PEOPLE ARE SAYING?

**Pastor Dan Haifley - Single Mom Group in IL:** *["Earlier in the year, we started a single moms group using the Single Mom Journey. I just want to say that it is one of the best things we ever did!"](#) The ladies have told me over and over again, "Thank you, thank you so much, Pastor, for having this, because it gives us hope, it gives us help, it helps us carry the burdens that we carry that other people don't understand." It makes them feel like they are part of the church. It makes them feel like they are cared for by the church. We have childcare; we do it at the same time we do our other Bible studies. They have just gotten so much help from it. [The ladies have become more faithful in church.](#) I think it is just a healthy experience. [If you are a pastor and you are thinking, "Should I do this?" You absolutely should use this curriculum. It is excellent material! It meets a great need!"](#)*

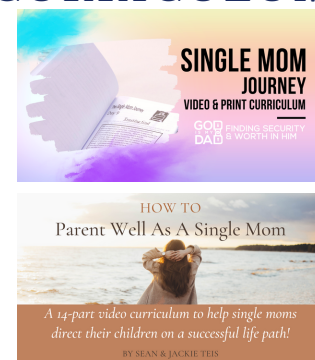

**Dr. Elmer Towns - Liberty University:** *"I am very impressed with what Sean Teis and Life Factors Ministries are doing to address this issue in our country. [Their training is something every church should explore.](#) I highly recommend having Sean come and speak on fatherlessness to your congregation, student body, or event."*

**Single Mom in Las Vegas:** *"Coming to Las Vegas as a single mom was not my plan. I was looking for a place of belonging after being disappointed numerous times. [I have been praying and searching for true connections with single parents who share similar Godly values like myself but could not find anything that truly align with my walk with Christ until I came across "God is My Dad" platform on Facebook.](#) At first I could not believe that there was actually such a group for people like me so I had to Google the location to ensure it was a real church. Funny right, but God had answered my prayers. Through the meetings and the "The Single Mom Journey" book by Sean Teis and his mom Connie as a guide, I realized I was really not alone. Connie's story was so relatable, inspiring and Bible-based, I felt the connection that I needed with her and the other women who attended the meetings. I realized that God is never late and he answers our prayers. God knew a platform like this was needed and he touched the hearts of Sean and his mom. May God continue to guide and bless us as we are walking through our journey as single moms. Love you all"*

# SPEAKING

---

**I have had the privilege to speak around the country at various events including churches, colleges, conferences, and schools. I would love to be a speaker at your next event. Whether you are a Church, College, Seminary, Camp, Conference, School, etc. we will work to cater to your specific needs but always with fatherlessness as our central focus.**

We are passionate about training future ministry leaders such as pastors, teachers, missionaries, etc. about fatherlessness. We have found that this topic is often not being addressed in colleges and seminaries. We are available to teach seminars, fast-tracks, and while we are there Sean is available to preach in your chapel.

## COLLEGS & SEMINARIES

## YOUTH CAMPS & CONFERENCES

With over eight years of ministry experience in youth speaking Sean can preach exciting yet challenging messages to your youth camp or conference attendees. When speaking Sean typically preaches expositively combined with personal stories of redemption, humor, excitement, and with an invitation at the end to make a lasting impact.

Sean has experience speaking in Christian and public middle schools and high schools. To get comfortable in this area of speaking, he was trained for over a year through training developed by one of the top public school speakers in the nation. This school assembly is challenging, exciting, and fun. After the school assembly, you can typically hand out flyers and invite the students to a youth event at your church for the following weekend. \*We ask that the churches schedule the school assemblies with the Christian and public schools.

# SPEAKING

## NATIONAL & LOCAL PASTORS EVENTS

We have found that many Pastors today are curious about fatherless ministry, but they aren't sure where to start. At your next local or national pastors event we can speak on fatherless ministry to both spread awareness and to train them on how to get started!

Do you have an upcoming missions conference? Sean can speak on local fatherless ministry! Also, we also are being booked to do family conferences where we preach a compelling series of messages that apply to all families, but they will also encourage the fatherless families that attend as well!

## MISSIONS & FAMILY CONFERENCES

## CHRISTIAN SCHOOL TEACHERS

Do you need training for your teachers to start out the school year or for your next in-service days? We have digital training available, or if we are at your church already, we can speak to your Christian school teachers as well to help them better understand the fatherless families that they have represented in their classrooms.

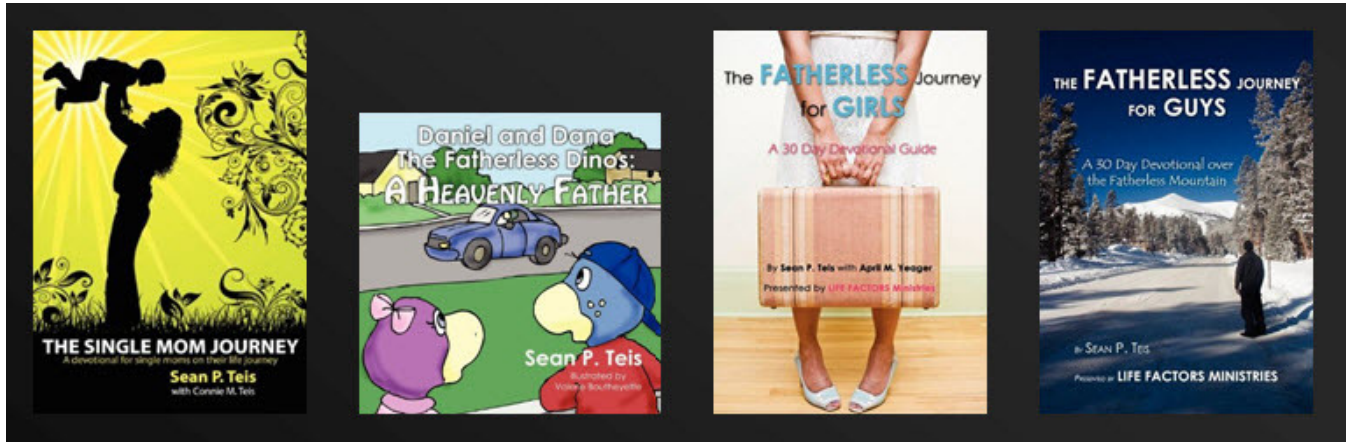

One of the main things we do is go into churches and speak on the issue of fatherlessness. We spread awareness to those that are not familiar with the social impact that it is having on our nation and then challenge them to get involved in doing something! We also spread hope to the fatherless children, teens, and young adults, to the single moms, and to the grandparents that are raising their grandchildren.

Through the show, we also inspire fatherless families to overcome their journey, but this show is designed mostly for those who are able and willing to help these families, such as pastors, Christians, and ministry leaders. We have had guests such as Stephen Arterburn, Dr. Gary Chapman, Christian Artist Jason Gray, and Former NFL Super Bowl-winning TE Trey Burton. # TESTIMONIALS FROM FATHERLESS FAMILIES

“

I would not be here today, or at least somewhat put together, if it were not for Pastor Sean and Jackie's fatherless ministry. When I entered 8th grade, Sean became the student pastor at our church and introduced his fatherless ministry to all of us. Most of the kids in our youth group did not have a father present in their lives, or some of the students had fathers present but they were heavily involved in drugs and alcohol. I was one of those students. I grew up with a father that was addicted to alcohol, and it completely changed the person that he could have been. When I was about 12 my father left my mother and I. Not too long after, Pastor Sean and Jackie started attending our church and later became apart of the student ministry. Their fatherless ministry has always given me hope, reminded me of God's love, and provided me with encouraging resource to conquer my fatherless battle. They reminded me that I am not fatherless because I have God the father. Their ministry provided me with books, words of encouragement, devotions, and even one on one talk. What makes Sean's ministry so unique is that he himself was a fatherless teenager and he knows the pain of growing up without a fatherly figure. Sean and Jackie's ministry has also helped me to become a better leader. Now that my heart is mended from the pain that I once felt, I am able to and want to help those who are going through the same issues. My life was impacted greatly from Sean and Jackie's fatherless ministry and now I personally feel equipped to help others that are hurting and fatherless. I encourage you to take a look into their fatherless ministry because it will either help you or someone you know!

— Fatherless Teen Girl

“

At the time of my divorce, I was overwhelmed with fear, uncertainty, and loneliness. My children and I did not have God in our lives. A friend recommended that we begin opening ourselves up and invited me to her church. The youth pastor at Colonial Baptist Church immediately embraced my three children. He genuinely understands the hurt that comes along with not having a father available or capable to love you. He was consistently available to talk to my children and be a good listener. Support was also provided for me as a single parent. I am very blessed to have had the support and compassion from Pastor Sean Teis and his ministry.

— Single Mom

“

When Sean first started his ministry and was working with my grandson, it took a lot of pressure off me in the long run. My grandson now had someone to not only look up to but to be accountable to also. It changed him a lot. My grandson now had someone in his life, other than my wife and I, that he new cared about and loved him. I will never be able to thank Sean enough for his influence and impact on my grandsons life.

— Grandfather Raising Grandchildren

“

To sit down and tell you how much Life Factors ministry has affected my life will be one of the hardest things I have done. There are so many ways that Sean and Jackie have influenced my life but I would like to tell you about the biggest impact they have had on me. I would like to talk about is how selfless the both of them are. When I met Sean I was 12 years old and I was going through a very weird stage of becoming a teenager. I had a lot of questions and my father was gone. So I was left really with no answers. I was struggling with things like manhood and what kind of man I wanted to become... Over the course of my senior year, Sean became much more than a friend or a mentor he became family. He poured into my life more than anyone had to that point or since. He disciplined me, he helped me grow as a Christian and helped me find God's calling for my life. but I know it wasn't all Sean but Mrs. Jackie Teis because throughout all of this time she was so understanding and never made a big deal about all the time and effort Sean was putting into me that really took away from their time together. Mrs. Jackie is the definition of a virtuous woman and has taught me what a godly woman and wife is and the two of them taught me what a godly marriage looks like. She was so supportive when a lot of people would have told Sean to give up and focus on other things and I cannot thank her enough for that. I can truly say that if it were not for the selfless work that Sean and Jackie did in my life. I would not have graduated high school, I would not have gone to college and committed to full-time ministry, and would certainly not be here today to write this testimonial. Everything that has been accomplished over the last couple of years is a testament to their hard work and servant attitudes. Through them I became a better person, a better Christian, and most of all I became a better man. I am lucky to have such good friends in Sean and Jackie that will never give up and will always stay true to the work that God has called them to do!

# RECOMMENDATIONS FROM CHRISTIAN LEADERS

## READ WHAT THESE MINISTRY LEADERS HAVE TO SAY!

**Dr. Elmer Towns**

*"I completely agree with Life Factors Ministries that fatherlessness is the number one social issue in our country. I am very impressed with what Sean Teis and Life Factors Ministries are doing to address this issue in our country. The God is my Dad ministry is definitely a great way to evangelize & disciple fatherless families. Their training is something every church should explore. I highly recommend having Sean come and speak on fatherlessness to your congregation, student body, or event."*

**Dr. Michelle Watson-Canfield**

*"Sean Teis is the real deal. Having known him for years, I can attest to the fact that this is a man who walks his talk. As an invested, dialed-in dad to his three kids, Sean is living proof that God is always writing our redemptive stories that give Him glory, and any man can become the father his children need when he puts God first and experiences healing from his Heavenly Father. I love the focus of Sean's life message, which highlights that God truly is a Father to the fatherless. And because he has lived this personally---having been fathered by the best Dad in the world---one thing is undoubtedly clear about Sean: like Father, like son."*

**Pastor Kenny Baldwin**

*"I'm 100 percent in support of what you are doing at Life Factors."*

**Dr. Jim Burns**

*"I love the passion and energy Sean Teis has for helping people deal with fatherlessness. His ministry is powerful and much needed."*

**Producer Stephen Kendrick**

*"Sean Teis has a powerful testimony that inspired me! I love how God has redeemed the pain of Sean's past to now introduce others to the heart of our perfect Heavenly Father."*

**Pastor Johnny Pope**

*"God is using Sean to help straighten the crooked places in homes today...We have had Sean speak in our church and our people loved him...I love Sean and his family and I know you will too..."*

**Pastor Mark Batterson**

*"Sean Teis is circling broken homes - can't imagine anything closer to the heart of God"*

**Rand Hummel**

*"The fatherless are an increasing and overlooked part of our ministries today, and I believe that God could use Sean to make a difference in their lives."*

**"The Lord is using Sean Teis to bring a message of hope to an otherwise forgotten group. He is addressing the need in our time to disciple young people who are living a life with only one parent in tough situations who often need guidance. He brought this message of hope to over 90 pastors at the Atlantic Independent Baptist Fellowship on the East Coast. Sean brings a very powerful lesson on the condition of the home today. But, what is so encouraging is he brings forth workable solutions and a means for a Pastor and a people to get involved with their community to reach these families. As Sean preaches it is a reminder of how important it is to bring these little ones unto Christ and how to reach those single moms and dads. The intensity with which he brings out the point comes from the heart of a man that has lived through these tough circumstances. It is a message of principle, power, and hope in Christ Jesus." – Robert L. Warnick, Senior Pastor, Ohio**

**"This guy Sean is the funniest guy you'll ever meet and he made it very interesting and very easy to listen to!" Student Review**

**"One of the things that stood out to me: middle school, school students can be quite difficult to manage in large groups and Sean did an excellent job he had the students involved in the presentation but he also was able to bring them back to being attentive to the next part of the presentation...I would highly recommend that you bring Sean to your school." Ione Sautner, Principal, Erik Ramstad Middle School in Minot, ND**
